

7777 N.W. 72nd Avenue
Medley, Florida 33166-2488

ROBERTO MARTELL
Mayor
Office: (305) 887-9541, Ext. 101

May 4, 2015

ATTENTION: "All Medley Residents":

The 2015 Hurricane season is upon us once again. Mobile Home and Manufactured Building residents **MUST** evacuate for all hurricanes. When a hurricane is a threat to the residents of Medley, an Evacuation Order will be issued by Miami-Dade County. This Evacuation Order may be issued 24-48 hours before the hurricane is forecast to make landfall. An early evacuation is **REQUIRED** due to the large number of residents to be evacuated in Miami-Dade County and the requirement that the evacuation must be completed before the wind reaches 40 miles per hour. When a hurricane is several days away, review your evacuation plan to make sure it is still current. When an Evacuation Order is issued (or before), you **MUST**:

Secure your residence from damage in the event the storm hits. Town employees will try to assist you in lowering window awnings **ONLY**. **Disabled residents will be assisted first. Please remember, disabled persons, persons requiring special assistance, and persons with pets MUST re-register with the "Emergency Evacuation Assistance Program"**. You can call 311 or 305-513-7700; or 888-311-DADE or 305-468-5402(TDD/TTY); or obtain a copy of the form at <http://www.miamidade.gov/fire/evacuation-program.asp>.

YOU CANNOT STAY IN A MOBILE HOME. When leaving your mobile home it is recommended you take the following.

- Prescription Medicines
- Flashlight & Batteries
- Dietary Supplements
- Blankets, pillows, change of clothes
- Identification/Valuable papers
- Toiletries

Sincerely,

Roberto Martell, Mayor
