- Reconstruction of NW 95 Street, NW 93 Street west of 87 Avenue and NW 89 Avenue from NW 93 Street to NW 95th Street
- Portions of NW 93 Street and NW 89 Avenue will be widened to 3 lanes
- Drainage system for roadway will be constructed
- Provide new sidewalks
- Share bike lanes or “sharrows”
- New pavement markings and signs
- New left turn lanes

PROJECT SCHEDULE

Construction is expected to begin April 17, 2017 and last approximately one year.

Please note the schedule may change due to weather or other unexpected conditions

ESTIMATED CONSTRUCTION COST

\$3.3 million

FUNDING SOURCES

- \$1 million in Miami-Dade County Road Impact Fees (through Joint Participation Agreement)
- \$150k Florida Department of Environmental Protection Grant
- \$2.15 million Medley Stormwater Utility Funds

TRAFFIC IMPACTS

Phase 1 of the project will require the closure of NW 89 Avenue from south of NW 95 Street to NW 93 Street for approximately six months beginning on April 17, 2017. This phase will include the installation of much needed drainage structures and pipes as well as the reconstruction of the roadway and will take approximately six months.

Phase 2 of the project will begin after the completion of phase 1 and will require lane closures on NW 93 Street and NW 95 Street to reconstruct the roadways. This phase is expected to take six months

Access to businesses will be maintained during construction.

For your safety and that of others, please use caution when driving, walking or biking in or near the construction area.

HELPFUL TIPS

- Allow extra time to reach your destination
- Obey all posted signs and speed limits – they are for your safety

You may encounter the following in or around the work site:

- Lane closures
- Dust and noise
- Workers and equipment moving
